Risks and rules

The risks

Paintball and airsoft have risks, including:

- Welts, bruises and broken skin from being hit
- Serious eye injury, including loss of sight, if a mask or goggles come off or are lifted on the field
- Trips and falls on uneven ground, logs, ditches and bunkers
- Running into obstacles or other players
- Heat exhaustion and dehydration under the gear
- Hearing strain from shots fired near your ears

I understand these risks, and others no one can foresee, and that some remain even when the staff and other guests take care. I choose to take part.

Field rules

- Mask or goggles on from the moment you enter the field until you're back in the safe zone.
- Barrel cover or blocker on, and safety on, outside the field.
- Every marker or replica goes over the chronograph before play.
- No blind firing. See what you shoot at.
- Respect the minimum distance, and offer a surrender inside it.
- Call your hits, and stop when a referee calls a halt.

I'll follow these rules and every instruction from the staff. The staff may stop me or ask me to leave if I don't.

What you agree to

My answers
My answers are true. I'm not impaired by alcohol or drugs, and I'll tell the staff if anything about my health changes before or during my visit.

Initials ☐

Release
To the extent the law allows, I release the business, its owners and its staff from claims for injury, illness or damage that come from the inherent risks of this activity. This release doesn't cover anything the law doesn't let me give up.

Initials ☐

Emergency care
If I'm hurt or become ill, the staff may give first aid and call emergency services. I'm responsible for the cost of any care I receive.
