Risks and rules

The risks

Jumping has risks, including:

- Sprains, dislocations and broken bones, most often in ankles, knees and wrists
- Collisions with other jumpers, especially bigger or heavier ones
- Landing on the frame, pads, springs, walls or floor
- Head, neck and spine injuries from flips and bad landings, which can be permanent
- Injuries in foam pits, dodgeball courts, ninja courses and climbing walls
- Getting overheated or worn out

I understand these risks, and others no one can foresee, and that some remain even when the staff and other guests take care. I choose to take part.

Court rules

- One jumper per trampoline.
- No flips or tricks except in areas the staff mark for them.
- Land on your feet, never on your head or neck.
- Grip socks on, pockets empty, no gum or food on the courts.
- Jump in your zone: small jumpers and big jumpers stay apart.
- Follow the court monitors every time, and stop when you're tired.

I'll follow these rules and every instruction from the staff. The staff may stop me or ask me to leave if I don't.

Initials _____

Emergency care

If I'm hurt or become ill, the staff may give first aid and call emergency services. I'm responsible for the cost of any care I receive.

Initials _____

Photos and video

This waiver covers your visits for one year from the day you sign. The business may ask you to sign again sooner if its rules or this form change.
